About Us

Who is the JRTCC?

The Jack Russell Terrier Club of Canada Inc. (JRTCC) is the national club for Jack Russell Terrier fans, with provincial affiliates throughout Canada. Founded in 1989 and incorporated in 1991, the Club is an affiliate of the Jack Russell Terrier Club of Great Britain. Our members include internationally recognized breeders, working terrier people and pet owners.

Our Mission

The Club and its affiliates are dedicated to preserving the working Jack Russell Terrier (JRT), and proudly maintain the national registry for the Jack Russell Terrier in Canada. Our guiding principle is to promote the breed's historic conformation while keeping the working ability in the forefront. In other words, our goal is that the Jack Russell Terrier should remain a bright, alert, well-rounded dog, with the form, endurance and drive to go to ground after their quarry.

Want to know more about the club? Visit our website at www.JRTCC.ca

Same day entries are NOT accepted for Racing and Agility!
Pre-entries must be received by September 4th, 2023.

Land Acknowledgment

“We acknowledge that we are on the traditional territory of the Anishnawbe, Haudenosaunee and Neutral peoples. In Kitchener, Waterloo, Cambridge and Brantford we are on the traditional territory of the Neutral, Anishnawbe and Haudenosaunee peoples.”

Anishnawbe peoples: Also known as Ojibway/Chippewa/Mississauga/Algonquin, their original ancestral home was located on the north shore of Lake Huron, at the mouth of the Mississagi River. During the 17th century, the Anishnawbe split, with groups migrating east to the Bay of Quinte and South into what is now known as south-western Ontario (from Toronto to Lake Erie). During the 18th century, the Anishnawbe began losing land due to European settlement and the northern movement of the Haudenosaunee into south-western Ontario. Today, Anishnawbe in south-western Ontario include the Mississaugas of the Credit First Nation, Aamjiwnaang, Chippewas of the Thames First Nation, and the Chippewas of Kettle and Stony Point.

Haudenosaunee peoples: Also known as Six Nations and Iroquois, are various nations that formed what is known as the Haudenosaunee Confederacy. It originally consisted of five Nations: Cayuga, Oneida, Onondaga, Mohawk, and Seneca, but in 1722, the Tuscarora joined to form the Six Nations. The Haudenosaunee reside in parts of Ontario and Upstate New York. The largest reserve in North America is the Six Nations of the Grand River, located near Brantford, Ontario. Other communities where Haudenosaunee reside include Tyendinaga, Awkwesasne, and Oneida Nation of the Thames, to name a few.

Neutral peoples: Called the Neutrals due to their tendency to avoid conflict, and "Attawandaron" by the Hurons. They are made up of many distinct nations. They were decimated by colonial diseases during early colonization and any remaining members were mostly adopted into the Haudenosaunee Confederacy.

Kitchener-Waterloo and Brantford are both located on the Haldimand Tract, which, on October 25, 1784, after the American Revolutionary War of Independence, was given to the Six Nations of the Grand River and Mississaugas of the Credit First Nation by the British as compensation for their role in the war and for the loss of their traditional lands in Upstate New York (www.sixnations.ca, <http://mncfn.ca>). Of the 950,000 acres given to the Haudenosaunee (six miles on either side of the Grand River, all the way along its length), only 46,000 acres (less than 5 per cent) remain Six Nations land (www.sixnations.ca) and 6,100 acres remain Mississaugas of the Credit land. GAME: BARN HUNT RAT DASH (NON-SANCTIONED) DIVISION

There will be 5 rats in tubes, and 3 tubes with just litter in them. Each dog has 3 minutes 30 seconds on the course to find all 5 rats. Dogs who do not find all 5 rats within 3 minutes 30 seconds do not have a qualifying time. When the dog finds a rat, the owner must call it out to the judge.

The owner must then restrain the dog while the rat handler removes the tube from the course. If the owner does not restrain the dog, the rat handler will not remove the tube. The judge will keep track of the number of rats found. When the dog has found all 5 rats the judge will record final time. If the handler calls out "rat" when the dog has actually found a tube with litter, this will cost the dog an additional 10 seconds added to their time. If the dog and handler identify a litter tube a second time, it will result in DQ. Dogs may only run the course once. 50% of the total purse will go to JRTCC to help cover overall trial costs. The other 50% will be awarded, split up between the top 6 qualifying times as follows: 1st place = 29%, 2nd place = 24%, 3rd place = 19%, 4th place = 14%, 5th place = 9%, 6th place = 5%. The "Puppy Purse" will be split between only pups. Puppies 6 - 12 are eligible to compete. The course will be the same as what the adults run, but the puppies' times will only compete with other puppies. The adult class will include all dogs; adult, veteran, and senior. Please verify our Rulebook for full details.

Rat Dash Puppies

Rat Dash Adults, Veterans, Seniors

GAME: GO TO GROUND STAKES (NON-SANCTIONED) DIVISION

The starting line shall be placed two feet from the entrance hole. Timing starts when the terrier is released by the handler. The Judge signals the release of the terrier. The terrier is to be released so that all four feet are on the ground before crossing the starting line. The terrier may not be pushed or thrown toward the hole. Any violation of this rule, accidental or intentional, shall result in disqualification of the terrier from the class in which the violation occurs. No entry fees will be refunded. After the terrier is released, the handler shall remain next to the entrance hole.

Once the terrier has entered, the handler may not block the entrance hole by standing in it or in any other manner. Commands and encouragement may be given. The handler shall wait for the signal from the Judge before proceeding to the terrier's location to pick up the terrier. \$20 per dog. Dogs may only run the course once. 50% of the total purse will go to JRTCC to help cover overall trial costs. The other 50% will be awarded, split up between the top 6 qualifying times as follows: 1st place = 29%, 2nd place = 24%, 3rd place = 19%, 4th place = 14%, 5th place = 9%, 6th place = 5%. The "Puppy Purse" will be split between only pups. Puppies 6 - 12 months are eligible to compete. The course will be the same as what the adults run, but the puppies' times will only compete with other puppies. The adult class will include all dogs; adult, veteran, and senior. Unsportsmanlike behavior will result in DQ of that handler and dog team. Please verify our Rulebook for full details.

Running Order

A note on Running Order for Each Event

Each event will have a whiteboard placed near the entry point. Running orders will be written on the white board. We kindly ask that you ask the stewards to add your dog's name to the running order list. Approximate running orders times will be displayed and updated. If you do miss your turn, you will be placed to the bottom of the running order.

Priority Pass for Judges, Stewards and Volunteers

Please note that all judges, stewards, and volunteers will have priority to run their dogs in all events throughout the national trial. This means that if they show up to an event with their dog and there is a lineup/running order, they will pass ahead of all regular participants.

JRTCC Rulebook

A copy of our JRTCC Rulebook will be available at the registration desk as of Friday September 22nd, 2023. Furthermore, a digital copy of the rulebook is available to download by [clicking here](#).

Volunteers

Being a volunteer at our club events is well suited to people who are already at our events and who are passionate about Jack Russell Terriers! Since you're reading this, you can check those boxes. There is no formal requirement to become a volunteer, all that is needed is a positive attitude, a willingness to help and a flair for being part of like-minded team.

We know you want to spend your time participating in the events with your dog(s), so we created a volunteer schedule with short, 2-hour time slots, so that you will still have plenty of time to take part in the action of the day. If you have extra time, please consider signing-up for more than one time slot. It's folks like you that make our events so fun and unforgettable.

Once we receive your volunteer application, we will contact you via email with a Volunteer Agreement for you to sign as well as any other details, such as what you will be helping with.

As a token of our sincere gratitude for your valuable time, you will receive a lunch on us for the day you volunteer (we will give you a ticket for the Legion lunch), as well as an appreciation gift.

If you are interested in volunteering, please sign up by [clicking here](#).

Photography

Once again, we are delighted to have photographers on site to capture every special moment with your dog. This year we are delighted to have two professional photographers who will capture all our events each day. Joining us again this year is Shelley Victoria, and new to our team is Dorothy of Hooves & Paws.

Shelley Victoria
PHOTOGRAPHY

About Shelley: My love of dogs started at a young age. I've been training and competing in dog sports for a number of years. I took my first agility class with our family dog, Lucky, when I was around 12 years old. I love photographing events, as the connection between handlers and their dogs is what a relationship between humans and animals is all about. Combining my passion for photography and my love of dogs seemed like a natural step! I capture on-location portraits using natural light. Whether it be at your favourite park or pathway, or one of my chosen locations, I aim to bring out your dog's personality and create artwork you can treasure for many years to come.

Please contact Shelley directly at shelleyvpaterson@gmail.com with any questions.
Feel free to visit her website here: <https://www.shelleyvictoria.com/>

Hooves & Paws
PHOTOGRAPHY

About Dorothy: I have always been very passionate about animals. I began my photography some 15 years ago as I was told I always had an eye for capturing the essence of my animal subjects. Over the years I have developed and fine tuned my photography skills and became involved in taking photos at horse shows of hunter/jumper disciplines, dressage, eventing, barrel racing and portraiture. I strive to achieve an important balance of creativity and high quality. I am committed to providing you with the very best. Time behind the lens is never wasted, just creative.

Please contact Dorothy directly at info@hoovesandpawsphotography.ca with any questions.

A Heartfelt Thank You

We would like to take this opportunity to thank all our sponsors and donors. We would like to recognize the overwhelming support we received from each of you. Without your financial support, and in-kind donations our national trial would not be possible. Thank you for your continued support of our Jack Russell Terrier Club of Canada.

How do I Sponsor a Class?

If you would like to sponsor a class or division, please do so using Trial Vault in the Class Sponsor section at checkout. Each class sponsorship is \$10, with dedications or messages to customize your sponsorship. If you have any questions, or special requests please contact the National Trial Co-chairs at jrtccanada@gmail.com
