# About Us

## Who is the JRTCC?

The Jack Russell Terrier Club of Canada Inc. (JRTCC) is the national club for Jack Russell Terrier fans, with provincial affiliates throughout Canada. Founded in 1989 and incorporated in 1991, the Club is an affiliate of the Jack Russell Terrier Club of Great Britain. Our members include internationally recognized breeders, working terrier people and pet owners.

## Our Mission

The Club and its affiliates are dedicated to preserving the working Jack Russell Terrier (JRT), and proudly maintain the national registry for the Jack Russell Terrier in Canada. Our guiding principle is to promote the breed's historic conformation while keeping the working ability in the forefront. In other words, our goal is that the Jack Russell Terrier should remain a bright, alert, well-rounded dog, with the form, endurance and drive to go to ground after their quarry.

Want to know more about the club? Visit our website at [www.JRTCC.ca](http://www.JRTCC.ca)

# Land Acknowledgment

*“We acknowledge that we are on the traditional territory of the Anishnawbe, Haudenosaunee and Neutral peoples. In Kitchener, Waterloo, Cambridge and Brantford we are on the traditional territory of the Neutral, Anishnawbe and Haudenosaunee peoples.”*

**Anishnawbe peoples:** Also known as Ojibway/Chippewa/Mississauga/Algonquin, their original ancestral home was located on the north shore of Lake Huron, at the mouth of the Mississagi River. During the 17th century, the Anishnawbe split, with groups migrating east to the Bay of Quinte and South into what is now known as south-western Ontario (from Toronto to Lake Erie). During the 18th century, the Anishnawbe began losing land due to European settlement and the northern movement of the Haudenosaunee into south-western Ontario. Today, Anishnawbe in south-western Ontario include the Mississaugas of the Credit First Nation, Aamjiwnaang, Chippewas of the Thames First Nation, and the Chippewas of Kettle and Stony Point.

**Haudenosaunee peoples:** Also known as Six Nations and Iroquois, are various nations that formed what is known as the Haudenosaunee Confederacy. It originally consisted of five Nations: Cayuga, Oneida, Onondaga, Mohawk, and Seneca, but in 1722, the Tuscarora joined to form the Six Nations. The Haudenosaunee reside in parts of Ontario and Upstate New York. The largest reserve in North America is the Six Nations of the Grand River, located near Brantford, Ontario. Other communities where Haudenosaunee reside include Tyendinaga, Awkwesasne, and Oneida Nation of the Thames, to name a few.

**Neutral peoples:** Called the Neutrals due to their tendency to avoid conflict, and "Attawandaron" by the Hurons. They are made up of many distinct nations. They were decimated by colonial diseases during early colonization and any remaining members were mostly adopted into the Haudenosaunee Confederacy.

Kitchener-Waterloo and Brantford are both located on the Haldimand Tract, which, on October 25, 1784, after the American Revolutionary War of Independence, was given to the Six Nations of the Grand River and Mississaugas of the Credit First Nation by the British as compensation for their role in the war and for the loss of their traditional lands in Upstate New York ([www.sixnations.ca](http://www.sixnations.ca), <http://mncfn.ca>). Of the 950,000 acres given to the Haudenosaunee (six miles on either side of the Grand River, all the way along its length), only 46,000 acres (less than 5 per cent) remain Six Nations land ([www.sixnations.ca](http://www.sixnations.ca)) and 6,100 acres remain Mississaugas of the Credit land.

### **GAME: BARN-HUNT RAT DASH (NON-SANCTIONED)**

*There will be 5 rats in tubes, and 3 tubes with just litter in them. Each dog has 3 minutes 30 seconds on the course to find all 5 rats. Dogs who do not find all 5 rats within 3 minutes 30 seconds do not have a qualifying time. When the dog finds a rat, the owner must call it out to the judge. The owner must then restrain the dog while the rat handler removes the tube from the course. If the owner does not restrain the dog, the rat handler will not remove the tube. The judge will keep track of the number of rats found. When the dog has found all 5 rats the judge will record final time. If the handler calls out "rat" when the dog has actually found a tube with litter, this will cost the dog an additional 10 seconds added to their time. If the dog and handler identify a litter tube a second time, it will result in DQ. Dogs may only run the course once. 50% of the total purse will go to JRTCC to help cover overall trial costs. The other 50% will be awarded, split up between the top 6 qualifying times as follows: 1st place = 29%, 2nd place = 24%, 3rd place = 19%, 4th place = 14%, 5th place = 9%, 6th place = 5%. The "Puppy Purse" will be split between only pups. Puppies 6 - 12 are eligible to compete. The course will be the same as what the adults run, but the puppies' times will only compete with other puppies. The adult class will include all dogs; adult, veteran, and senior. Please verify our Rulebook for full details.*

- 480** Rat-Dash Adult, Veteran, and Senior

### **GAME: GO-TO-GROUND STAKES (NON-SANCTIONED)**

*The starting line shall be placed two feet from the entrance hole. Timing starts when the terrier is released by the handler. The Judge signals the release of the terrier. The terrier is to be released so that all four feet are on the ground before crossing the starting line. The terrier may not be pushed or thrown toward the hole. Any violation of this rule, accidental or intentional, shall result in disqualification of the terrier from the class in which the violation occurs. No entry fees will be refunded. After the terrier is released, the handler shall remain next to the entrance hole. Once the terrier has entered, the handler may not block the entrance hole by standing in it or in any other manner. Commands and encouragement may be given. The handler shall wait for the signal from the Judge before proceeding to the terrier's location to pick up the terrier. \$20 per dog. Dogs may only run the course once. 50% of the total purse will go to JRTCC to help cover overall trial costs. The other 50% will be awarded, split up between the top 6 qualifying times as follows: 1st place = 29%, 2nd place = 24%, 3rd place = 19%, 4th place = 14%, 5th place = 9%, 6th place = 5%. The "Puppy Purse" will be split between only pups. Puppies 6 - 12 months are eligible to compete. The course will be the same as what the adults run, but the puppies' times will only compete with other puppies. The adult class will include all dogs; adult, veteran, and senior. Unsportsmanlike behavior will result in DQ of that handler and dog team. Please verify our Rulebook for full details.*
