Please keep in mind that this is the first time we have used this facility, and it is a bit rustic, we do not recommend that you try to park your camper in the camping spaces after dark since there are numerous trees in the parking area. We do recommend that you use the Harmony Road entrance to the camp if you are bringing a camper or class A since it is a more direct path to the camping area.

Please keep your dogs on a leash at all times, there is a large flock of Canadian geese in residence on the pond.

### **Camping**

Camping is available at the trial site for \$20 per night. Most camp sites have electric and water, but some may be hard to get in to. First come, first serve. **30 amp services available so be prepared with adaptors. You also may want to be prepared to Dry Camp, just in case.**

*Directions To the Trial Site Camp Harmony is around 40 minutes from the I85 Lavonia Ga exit.*
