2025 MWJRTC Summer Celebration – **Conformation Judges**

Sandra Ferber

Sandra Ferber's Fox Run Kennel is well known throughout the world for producing many outstanding terriers and many form the foundation of numerous North American terriers. Her terriers have accounted for hundreds of Conformation & performance championships over the years for Sandra as well as others.

Sandra has been a JRTCA Conformation Judge for over 35 years and has judged extensively in the United States, England and Canada. She was the Ring 1 Conformation Judge at the 2002 & 2009 JRTCA National Trials. Sandra also judged the JRTCGB Anniversary show in England

Sandra is an enthusiastic supporter of the working terrier and worked her terriers in her younger days. All of her foundation stock earned bronze medallions and went on to produce many generations of noted workers.

Sandra Ferber lives in Oyster Bay Cove, New York with her husband, Dr. Alan Ferber D. V.M.

Juston Thompson

Growing up, I was active in 4-H and FFA, showing livestock and competing on judging teams. I got my first JRT in 2007, and from there I was hooked. You may have met me at a trial across the country over the past 14 years at the racetrack, judging go-to-ground or exhibiting terriers in the ring. I especially enjoy working my terriers in the field as they show their true grit, putting all the pieces together.

General Rules For All Exhibitors

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and not be members of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT registry. If an exhibitor is found to be in violation of this policy, entry will be disqualified, and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they entered.
3. Entries MUST be within the 10-15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months) are not eligible for championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate, or as otherwise agreed upon by the Trial Chairperson.
6. Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family*, Open or Working Conformation. *Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed/neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under the Judge in the conformation division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child or Youth Handling.
9. Terriers owned by Judges may not be entered in the division or section which they are judging but may enter the competition in any other division.
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for measurement of a terrier in the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races). Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier classes or Certificate GTG and Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den steward at time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site. (This applies to RV's & campers if at the same address as the trial grounds).
15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.
16. Overly aggressive dogs or an owner's failure to control their dogs, may result in disqualification at the discretion of the Judges or the Trial Chairperson.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.
18. Dogs, other than JRT's on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be downloaded for the JRTCA website www.therealjackrussell.com
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their discretion.
22. All dogs brought to the trial must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.

- C. A terrier must continue to advance, if qualified, to all additional semi-final heats up to the final championship race. If injured, the terrier is then finished and cannot race in the final.
- D. A **FINISHED** race is when the terrier runs down the track unassisted (by owner or anyone else) with a secured muzzle to the backside of the barrier.

Agility Division

All terriers must be at least 1 year old of age to compete in JRTCA Agility or practice on any equipment. Dogs may run naked or wear one flat collar without tags. No other accoutrements are allowed. No food or toys are allowed within 10 feet of ring. Exceptions are that toys are allowed for the class "A Way To Play". A Beginner Agility certificate may be earned prior to competing in Advanced Agility & for Agility High Score Champion & Reserve. Move ups from Beginner Agility to Advance Agility are allowed from Trial to Trial. (Example: 2nd Beginner leg is earned at Saturday's trial; the team could move to Advanced Agility for Sunday's trial). As a JRTCA certificate has not been issued, both qualifying score sheets must be presented to move up. Advanced Agility competitors may cross enter the Beginner Agility class for Exhibit Only (FEO) to be used as a warmup run. No ribbon will be rewarded, and no paperwork completed for an FEO run. Teams with two scores of 190 or greater in the Agility classes (Beginner and Advance) are eligible for agility certificates. Teams with one qualifying score of 200 in Jumpers are eligible for the Jumpers certificate. For a complete set of rules, go to: <https://therealjackrussell.com> under Trial – click on Agility.

Jump Heights – The Under category will jump 8", the Over category will jump 12" as an Adult & owner's decision of 8" or 12" as a Veteran. Seniors will jump 4" regardless of height of the terrier.

Note: Sat & Sun Obstacle Familiarization: **\$5 per run, sign up for these runs on the Add-On Section of Trial Vault or on the entry form.** Can make multiple runs as time & number of entries allowed.

Class 128 : **JRT A Way to Play.** For the true beginner looking for experience in the ring, though this class can be used to explore a new experience with your partner. Class is judged based on performance of the obstacles on the field and points are earned for successfully completed obstacles: jumps are 1 point, tunnels are 3 points, contacts/combinations are 5 points. Toys/Lures are allowed & coaching by experienced competitors and the judge is encouraged. No food is allowed. Teams have 60 seconds to accumulate points. Can be cross entered with Beginner Agility. Non-certificate class.

Class 129 : **JRT Beginner Agility.** 1.75 yd/sec, 11-14 obstacles. Complete at least 1 contact, minimum of 2 tunnels & single bar jumps.

Class 131 : **JRT Jumpers.** 2 yd/sec, 15-18 obstacles. Single bar jumps, with or without wings, is acceptable. Minimum of 1 up to 3 spread jumps. Maximum of 3 tunnels.

Class 132 : **JRT Full House (Point Accumulation Game).** This is a time management game which requires the team to reach the finish obstacle prior to 40 seconds. For every second over 40 seconds, the team will lose 1 point. A qualifying score is 25 points or above within the time limit. Each obstacle can be completed twice for points. Teams must complete a minimum of one 5-point obstacle, two 3-point obstacles, and 3 single bar jumps.

Class 133 : **JRT High Score Agility Champion & Reserve.** Points will be accumulated from Advanced Agility, Jumpers and Full House (Point Accumulation Game) for the High Point Champion & Reserve. Advanced Agility & Jumpers are each worth 200 points. These points will be combined with the Point Accumulation Game points earned. Jumpers must be a qualifying score (200 points) to earn a High Score Championship, though it does not stop the team from earning a Reserve High Score Championship. If all teams earn faults in the Jumpers class, a Championship can still be awarded to the highest combined point accumulation of the 3 classes. All ties will be broken by the fastest accumulated time of the 3 classes. No entry fee.

Nosework Division

Nosework Parameters/Guidelines:

Open to dogs six months & older who are capable of alerting to the target odors. Level 1 target odor is birch. Level 2 target odors can be birch, anise & clove. A Level 1 title is not required to enter Level 2 classes. Owners may enter two dogs in the same class but must either have someone else handle the second dog or wait until the end of the class to allow the judge time to relocate the hide. Teams must go through start-line markers and call "alert" when hides are found. Search areas will be clearly marked. In Level 1 searches, one incorrect call is allowed but incurs a 5-second fault. For Level 2 searches, handlers must call "finish" after the second hide is found. An incorrect call in Level 2 ends the search and results in a non-qualifying run. Time faults incurred for dropped food, failure to go through start-line marker, excessive disturbance of search area, incorrect call in Level 1 and failure to call "finish" in Level 2 searches. Eliminating (pee, poop, or vomit) in a search area ends the search and results in a non-qualifying score and no placement. Consult the rulebook for more detailed information. 1st through 6th place ribbons for each class determined by correct calls with fastest time first. Champion & Reserve Champion ribbons awarded to top two JRT's in Level 1 and top two JRT's in Level 2 by combining scores for all elements/classes. Teams with no faults are considered first.

Friday (Only)

Stakes Barn Hunt Event (Non-sanctioned)

Fun on Friday - Stakes Barn Hunt event held Friday, August 15th from **12:00 – 4:00**. Cost is \$ 20.00 per dog, sign into Trial Vault and enter/pay for the Stakes Barn Hunt Runs in the “Add On” Section of Trial Vault OR enter & pay at the Stakes Barn Hunt “Sign In” table (cash/check only). Maximum of 60 dogs will be allowed to enter. All dogs/all breeds/six months & older are welcome to compete. 50% of the total purse will go to the Summer Celebration Trial as a fund raiser to help cover trial costs. The other 50% will be split up between the fastest 5 qualifying times as follows: 1st place = 30%, 2nd place = 25%, 3rd place = 20%, 4th place = 15%, 5th place = 10%. Awards will be announced at the Friday Potluck Dinner.

There will be 3 rats in tubes, and 1 tube with just litter in it. Each dog has 2:30 minutes on the course to find all 3 rats. At the end of 2:30 minutes, time is up. Dogs who do not find all 3 rats within 2:30 minutes do not have a qualifying time. **As your dog finds each rat, the owner must call it out to the Judge.** The owner must then restrain the dog while the rat handler removes the tube from the course. If the owner does not restrain the dog, the rat handler will not remove the tube. The judge will keep track of the number of rats found. When the dog has found all 3 rats the judge will record the final time.

If the handler calls out “rat” when the dog has actually found a tube with litter, this will cost the dog an additional 10 seconds added to their time. The litter tube will not be removed from the course. If the dog & handler identify the litter tube a second time, it will result in DQ. Handlers can walk along with their dogs and talk to their dogs throughout the course. Handlers cannot touch their dogs nor any part of the course except when restraining their terrier when the rat is being removed from the course.
