GENERAL RULES FOR EXHIBITORS

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and must not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT organization. If an exhibitor is found to be in violation of this policy, entry will be disqualified, and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form including a signed waiver for every trial they enter.
3. Entries MUST be within the 10 - 15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months) are not eligible for a championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate, or as otherwise agreed upon by the Trial Chairperson.
6. Spayed or neutered terriers may compete in Miscellaneous Conformation. They may not compete in Puppy, Family*, Open or Working Conformation. *Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed / neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the conformation division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child and Youth Handling classes.
9. Terriers owned by judges may not be entered in the division or section in which they are judging, but may enter the competition in any other division. (Exception - Ring 2 Nationals judge may have terriers shown in Ring 1)
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number OR, if classes are split by gender, may call for the measurement of a terrier in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September, 1999 will be honored.
12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion.
13. Exhibitors participating in the JRTCA Working Terrier Classes or Certificate Go-To-Ground and Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post entry. The Judge may require a copy of the certificate be presented to the ring/den steward at the time of judging. Registered terriers may submit a copy of NHC certificate signed by a JRTCA Working Judge within 30 days of the date it was issued.
14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site. (This applies to RV's and campers, if at the same address as the trial grounds) (01/22)
15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.
16. Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or the Trial Chairperson.
17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site and no entry fees will be refunded.
18. Dogs other than JRTs on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.
19. Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes.
20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be obtained by downloading from the JRTCA website (www.therealjackrussell.com).
21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties, which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their discretion.
22. All dogs brought to the trial must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.
23. Judges may not eat, smoke, vape, or use cell phones while judging their event.
24. THE JUDGES' DECISIONS ARE FINAL IN ALL DIVISIONS!

NOTE: No sale of Puppies at the trial site. No underage puppies on the trial grounds, including the camping area.

RACING

RULES:

- All terriers, including 4-6 month puppies, must be muzzled!
- Plastic muzzle or close-ended cloth muzzles only. No open-ended Baskerville muzzles, figure eight or open-ended muzzles will be allowed. Colored basket and colored softie muzzles are not allowed. Black, brown, clear, or white muzzles are acceptable.
- Any entry going around the jumps, jumping out of the racetrack or not wearing a secured muzzle will be disqualified from that race and, therefore, shown as not finishing that race.
- All requests for height measurement must be made by 7:45 AM to the racing judge. Terriers will be measured with approved JRTCA wickets.
- Qualifications for Championships Runoffs: Terrier must place first in a flat or hurdle final to qualify for championship run offs. A terrier **MUST ENTER AND FINISH** in both, at least one flat race AND one hurdle race at the beginning level based on trial entries (heat, semi, final). A terrier must continue to advance, if qualified, to all additional semi-final heats up to the final championship race. If injured, the terrier is then finished and cannot race in the final. A **FINISHED** race is when the terrier runs down the track unassisted (by owner or anyone else) with a secured muzzle to the backside of the barrier. In the event a terrier does not meet all the above criteria, the second place terrier in the final of that class (either flats or hurdles) will qualify for the championship run off if they meet the criteria as outlined above.
- Adult terriers may not cross-enter between Adult, Veteran and Senior Racing Classes.

Racing Course Set-up: 300-foot track; up to 14-inch-high foam jumps; foam catch barrier; "Joe Bag" as the back stop; 30 foot catch pen with trained, experienced catchers. Designed for the safety of our terriers, our goal.
