Exhibitors and owners of Jack Russell Terriers must be current JRTCA members. JRTCA membership does not apply to owners of other dog breeds.

GENERAL RULES FOR ALL EXHIBITORS

1. All sanctioned classes are open to Jack Russell Terriers only.
2. Exhibitors and owners of terriers entered must be current JRTCA members and not be a member of a conflicting JRT organization or register their JRTs in any all-breed registry or conflicting JRT registry. If an exhibitor is found to be in violation of this policy, entry will be disqualified and no refunds will be given. If a violation is confirmed after the trial, placements will be voided from all JRTCA records. Exhibitors must submit a completed entry form, including a signed waiver, for every trial they enter.
3. Entries MUST be within the 10" - 15" JRTCA height standard for all sanctioned classes (with the exception of pups who have not yet met the 10" height standard); measuring devices will be available on the trial grounds.
4. Puppies (under 12 months) are not eligible for a championship in any division but their own. Puppies are eligible to compete only if they have reached their four-month birthday (not 16 weeks). A puppy's age is the actual age the pup is on the day of the trial.
5. Bitches in season may not compete in any division. Pre-entry fees of bitches in season will be refunded with a veterinarian certificate, or as otherwise agreed upon by the Trial Chairperson.
6. Spayed or neutered terriers may compete in Working and Miscellaneous Conformation. They may not compete in Puppy, Family* or Open Conformation. *Note: For Family Classes, Brood Bitches and Stud Dogs entered may not be spayed/neutered. The offspring at their sides may be intact or spayed/neutered.
7. A terrier bred by a sanctioned JRTCA Judge may not be shown under that Judge in the conformation division.
8. Terriers owned or co-owned by the Trial Chairperson, or any member of their household, may not be entered in any phase of the competition, with the exception of Child and Youth Handling.
9. Terriers owned by judges may not be entered in the division or section in which they are judging but may enter the competition in any other division. (Exception - Ring 2 Nationals judge may have terriers shown in Ring 1)
10. Terriers owned by stewards may be entered in any division provided that they find a substitute to perform their duties or have someone else show their terriers.
11. Requests for the measurement of a terrier entered in any class number may be made only by another exhibitor in that same class number or by the Judge EXCEPT in Racing. Requests for the measurement of a terrier in Racing may be made by the Judge or by an exhibitor with a terrier entered in the same class number; OR, if classes are split by gender, may call for the measurement of a terrier of the opposite gender in the same age and height category. (Example: The owner of an under adult dog entered in Racing may call for the measurement of an under adult bitch as the potential exists for them to race each other in the Championship Races.) Exhibitors racing puppies may call for the measurement of a puppy in a different age category as long as it is in the same height category. The person making the request for measurement must name the terrier or terriers they wish to have measured, but requests for measurement of entire classes will not be honored. The measurement of the terrier will be considered the terrier's official height for the duration of the trial. Only JRTCA height cards issued after September, 1999 will be honored.

12. Excessive use of squeaky or fur-like baiting devices by exhibitors is prohibited in the Conformation ring and may result in the exhibitor being excused from the class. "Excessive use" will be at the Judge's discretion. GENERAL RULES FOR EXHIBITORS 2026

13. Exhibitors participating in the JRTCA Working Terrier classes, or Certificate Go-To-Ground and Super Earth must submit the appropriate JRTCA certificates with pre-entries or at the time of post-entry. The Judge may require a copy of the certificate be presented to the Ring/Den steward at time of judging. Registered terriers may submit a copy of NHC application signed by a JRTCA Working Judge within 30 days of the date it was issued.

14. Puppies under the age of three months are not permitted on the trial grounds. Any person violating this rule will be excused from all classes entered and asked to leave the trial site. (This applies to RV's and Campers, if at the same address as the trial grounds).

15. All dogs must be leashed or crated except when competition requires off-leash work. No liberty leashes allowed.

16. Overly aggressive dogs, or an owner's failure to control their dog, may result in disqualification at the discretion of the Judges or the Trial Chairperson.

17. The abuse or severe disciplining of dogs on the trial grounds is prohibited. Anyone displaying such behavior will be asked to leave the trial site, and no entry fees will be refunded.

18. Dogs, other than JRTs, on the grounds may be excluded or permitted at the discretion of the Trial Chairperson.

19. Exhibitors are responsible to double check the classes they have entered and be on time. No refunds will be given for missed classes.

20. The owner/handler of a terrier entering any class does so at his/her own risk and agrees to abide by the rules of the JRTCA and the trial. A copy of the JRTCA Rule Book can be downloaded from the JRTCA website (www.therealjackrussell.com).

21. Unsportsmanlike conduct, or the use of foul and abusive language, will not be tolerated. Anyone demonstrating such conduct will be asked to leave the trial site and no entry fees will be refunded. In addition, such conduct will be subject to penalties which may include the suspension of membership, restriction from entering the JRTCA National Trial, and/or fines. Trial Chairpersons have the right to refuse any entry at their discretion.

22. All dogs brought to the trial must be current on vaccinations. No dogs of any age may be brought to a trial who have suspicion of contagious or infectious disease.

23. Judges may not eat, smoke, vape, or use cell phones while judging their event. Exhibitors will be held to the same standard.

24. **THE JUDGES' DECISIONS ARE FINAL IN ALL DIVISIONS.**

NOTICE TO EXHIBITORS – NO LOOSE DOGS!

1. KEEP TERRIERS AWAY FROM THE REGISTRATION TABLE!
2. NO FLEXI LEADS. 4' or 6' leashes only permitted on trial site. Be mindful of where your dog is at all times.
3. A copy of your 2026 JRTCA Membership certificate and copies of Certificates in Championship GTG, Super Earth, and NHCs for working terriers must be submitted with your entries, emailed before the trial, or presented to the Trial Secretary at the Registration table. Failure to provide these items will result in your terrier/s not being allowed to compete in those classes.
4. Children (this includes participating Child Handlers) require adult supervision at all times.
5. Please travel with your health records for ALL your terriers and have a signed rabies certificate from your vet.
6. **ABSOLUTELY NO PUPPIES UNDER 3 MONTHS OLD**. Questions as to age of puppies will be resolved in favor of the puppies' general well-being, and **you will be asked to remove them from all areas of the trial site, including RV area**. The decision of the Trial Chair is final.
7. Well-behaved, restrained "alternative breeds" may attend with approval from a Trial Administrator. Please contact the Trial Administrator for permission (or enter events). Dogs not competing will not be permitted within 50 feet of any event.
8. Exhibitors must sign the waiver when submitting entry forms.
9. No refunds will be given for missed classes. Pay attention, and if you need help handling dogs... Ask for it!
10. Any exhibitor found to be in violation of any of these policies will be disqualified and no refund given.
11. No grooming at ringside! Please limit grooming at the trial site. Grooming at hotels/motels is not allowed.
12. While marijuana is legal for medicinal and recreational purposes in the State of Washington, it is not permitted to be consumed in public. It is only allowed on private property, out of the view of the public. If you wish to partake, YOU MUST do so OFF the property of the Hound Grounds, even if in your vehicle or RV.
13. No smoking, of any dried, flaming particles is permitted within 100' of any event. Per Washington State law, no smoking is permitted within 30' of any door, window, or air intake of any building.
13. There will be a nominal fee of \$10 for paper entries if you elect to use this format instead of our online entry platform.
14. No terriers may be put in exercise pens up against the conformation ring. If you must put terriers at the front of your ringside, you must hang an opaque barrier between your pens and the ring. **This is non-negotiable.**

EXTRAS

Ringside spaces: \$30 for the weekend. No dogs are to be left overnight at ringside. Ring will be outdoors this year.

RV spaces: \$45/night electricity + water, \$40/night electricity. These are VERY limited, so grab 'em early! Dry camping (no water or electricity) is \$25/night.

We will have some food and cold beverages available on site for purchase! There are local eateries, grocery store, and coffee stops.

Tahoma Terrier Trial Association Donation: Minimum donation of \$30, a tax-deductible charitable donation to T3A, a federally-registered 501(c)3. Your donation to the T3 Association supports our ability to hold this trial for you and your dogs. It also provides a modest decrease in your per-event price, to \$15 per class (pre-entry, \$18 post-entry). As we move into the future, we hope to be able to support additional safe, fun, educational events for dogs and their people, especially the young ones. Your donation will ensure our ability to hold future events as well as to move toward supporting a variety of fun activities with your dogs, all year! Please let us know if you would like to be on our email list to alert you to upcoming events in the future.

*** VOLUNTEERS ALWAYS NEEDED ***

We would greatly appreciate any time you are able to give to help us. We will be setting up all day on Friday and always need additional help at events on Saturday and in taking down, disassembling, and loading equipment on Sunday. **Please contact Josh Dotson, 253.820.3999, jdotson00@yahoo.com. Consider volunteering a portion of your time at an event. Volunteers will be provided a "FAST PASS" to get their events done. This will allow volunteers to "jump the line," sort of like at Disneyland or at the airport, because *our volunteers are FIRST CLASS!***

AUCTION ITEMS

As we are a private association conceived to provide a trial for JRTCA members in Washington and on the Pacific coast, we have achieved charity status to facilitate our ability to continue to put on this event for each of you and your dogs. Please remember that we have no affiliate club supporting us. Any surplus will be held in trust to make next year's trial even better!

Auction items are TBD.
